

Al Awda New York presents....

# 500 Dunam on the Moon

the first in an Al Nakba educational series

followed by a presentation and discussion led by **Said Shehadeh**

Saturday, December 1<sup>st</sup>

3pm

7111 5th Ave in Bay Ridge

In 1948, the Zionist Armies captured the Palestinian village Ayn Hawd and soon after the “artists’ colony” Ein Hod was established on their land. The Palestinian residents, settled only 1.5 km away were prevented from returning home, denied, water, electricity, and road access. 500 Dunam on the Moon (2002) presents the story of Ayn Hawd and the struggle of its people for land and freedom.
